Learn More

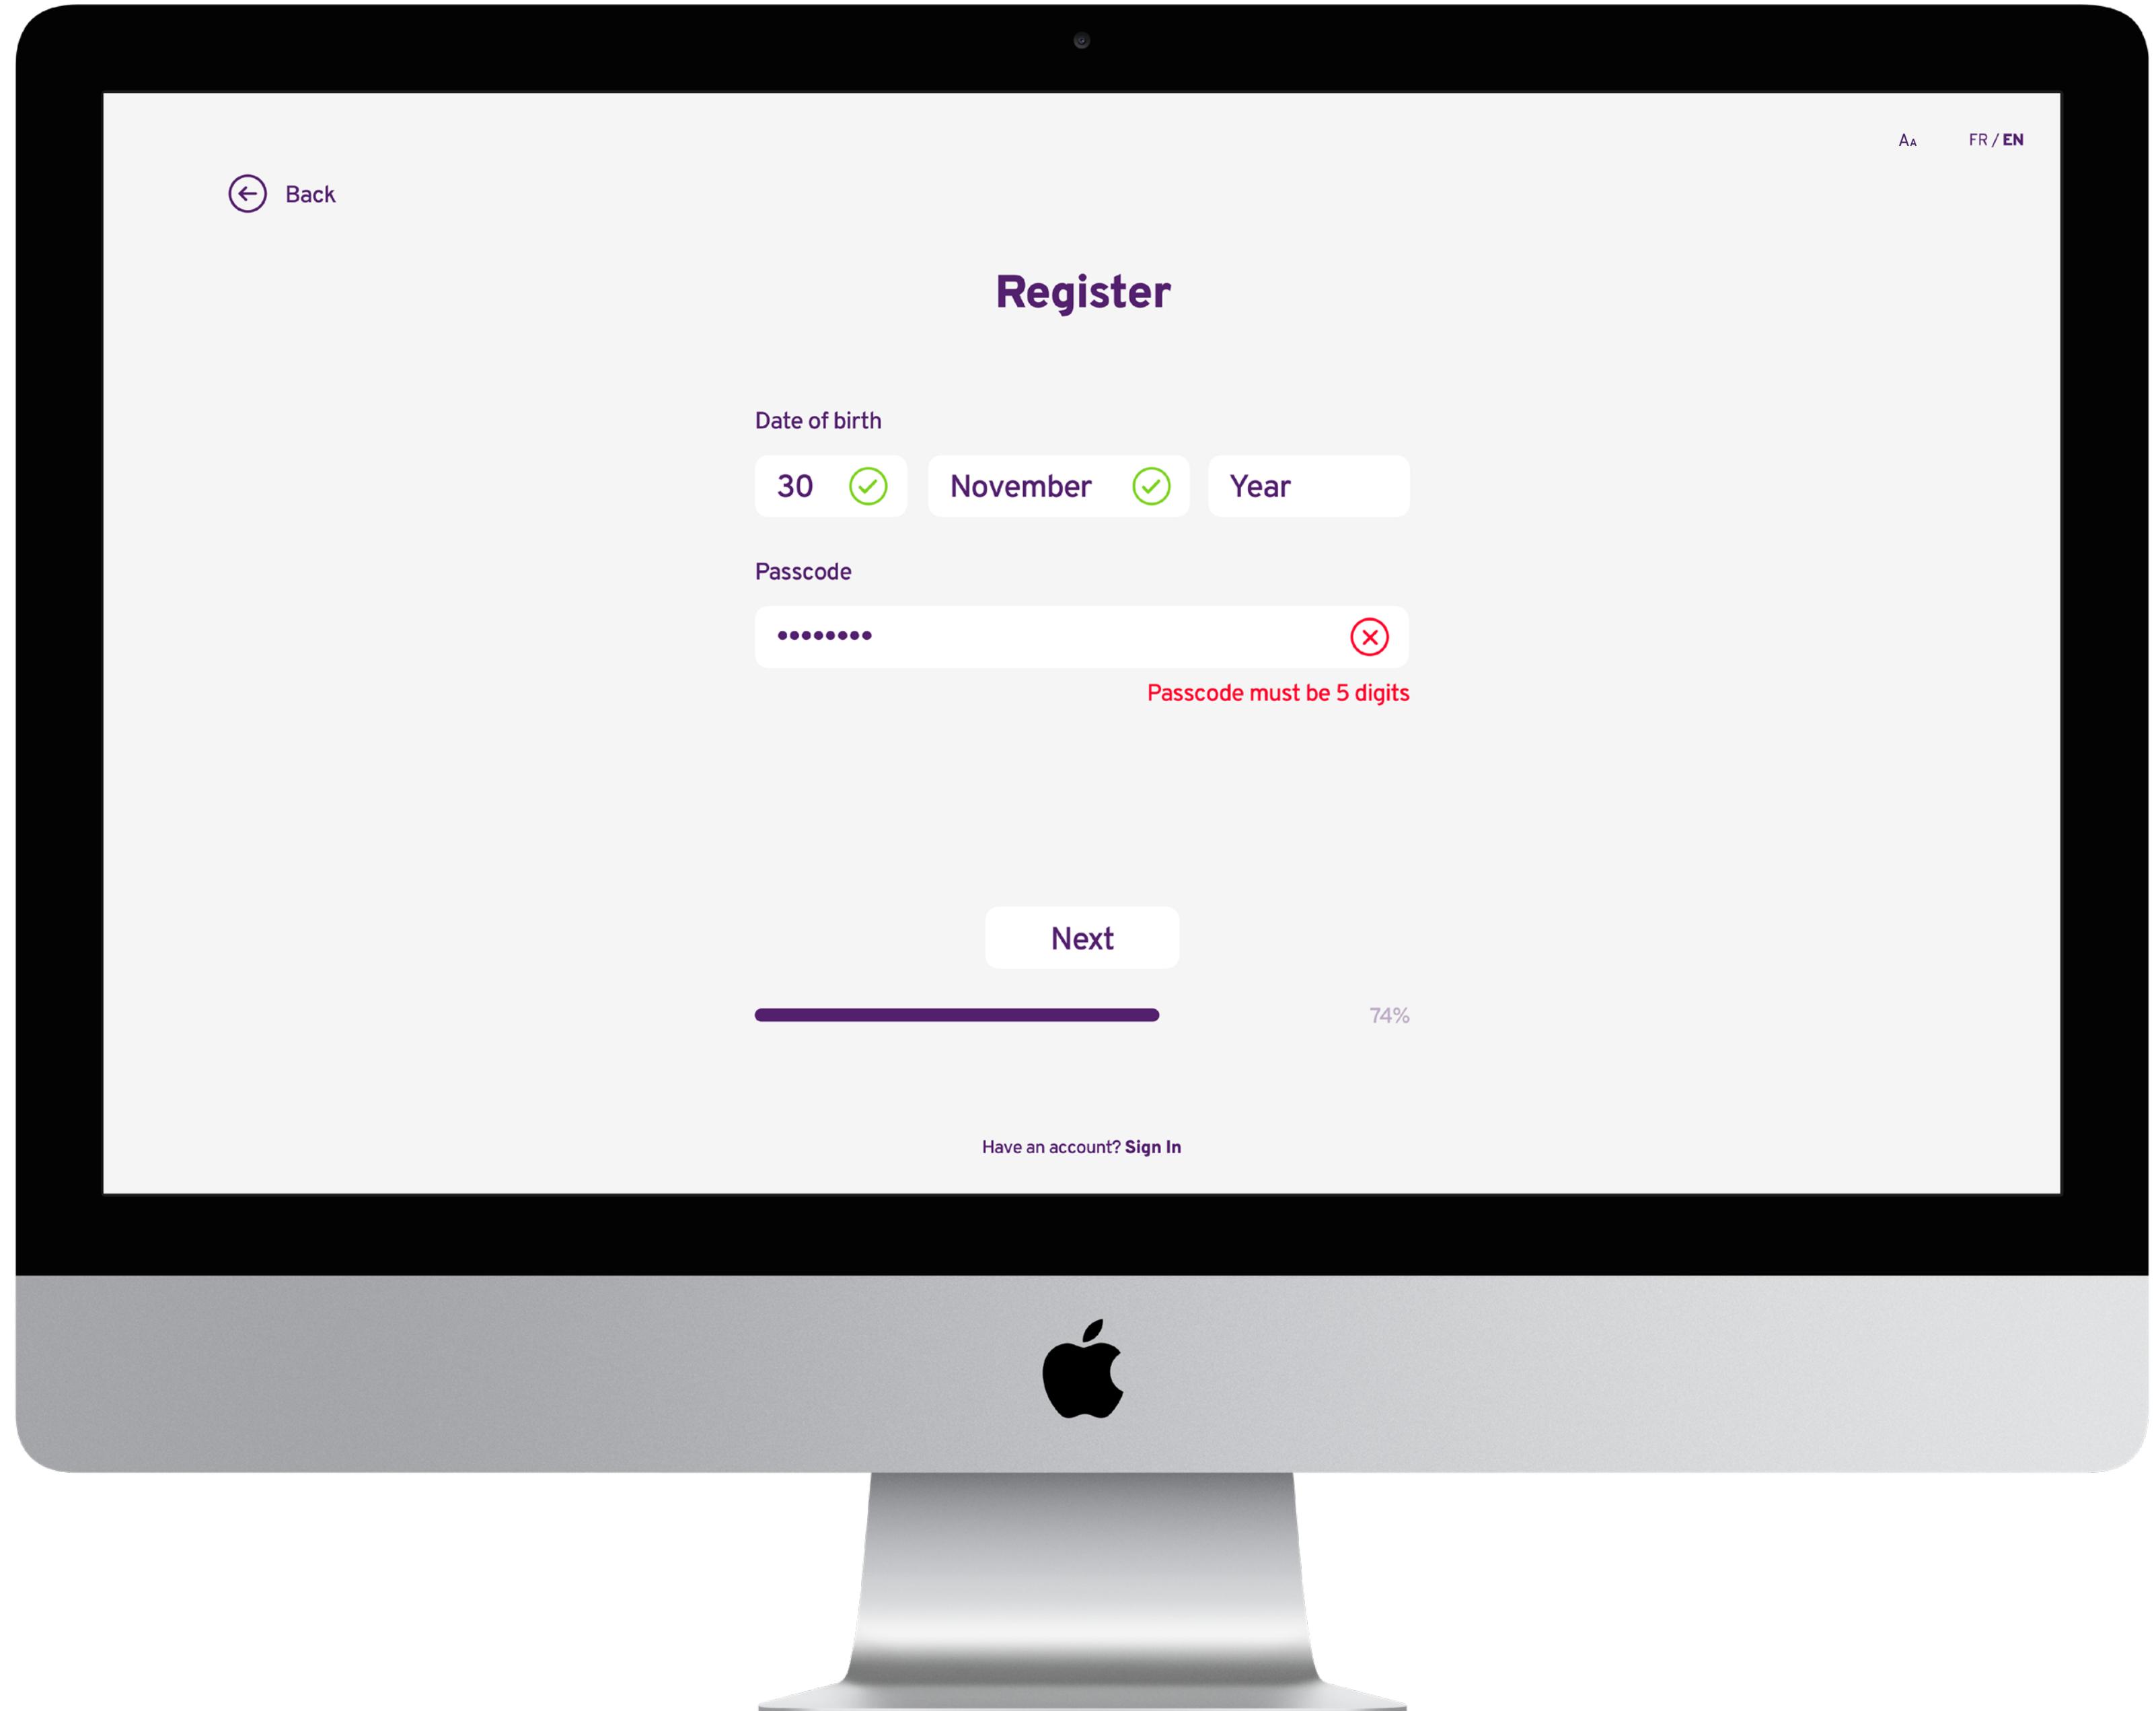

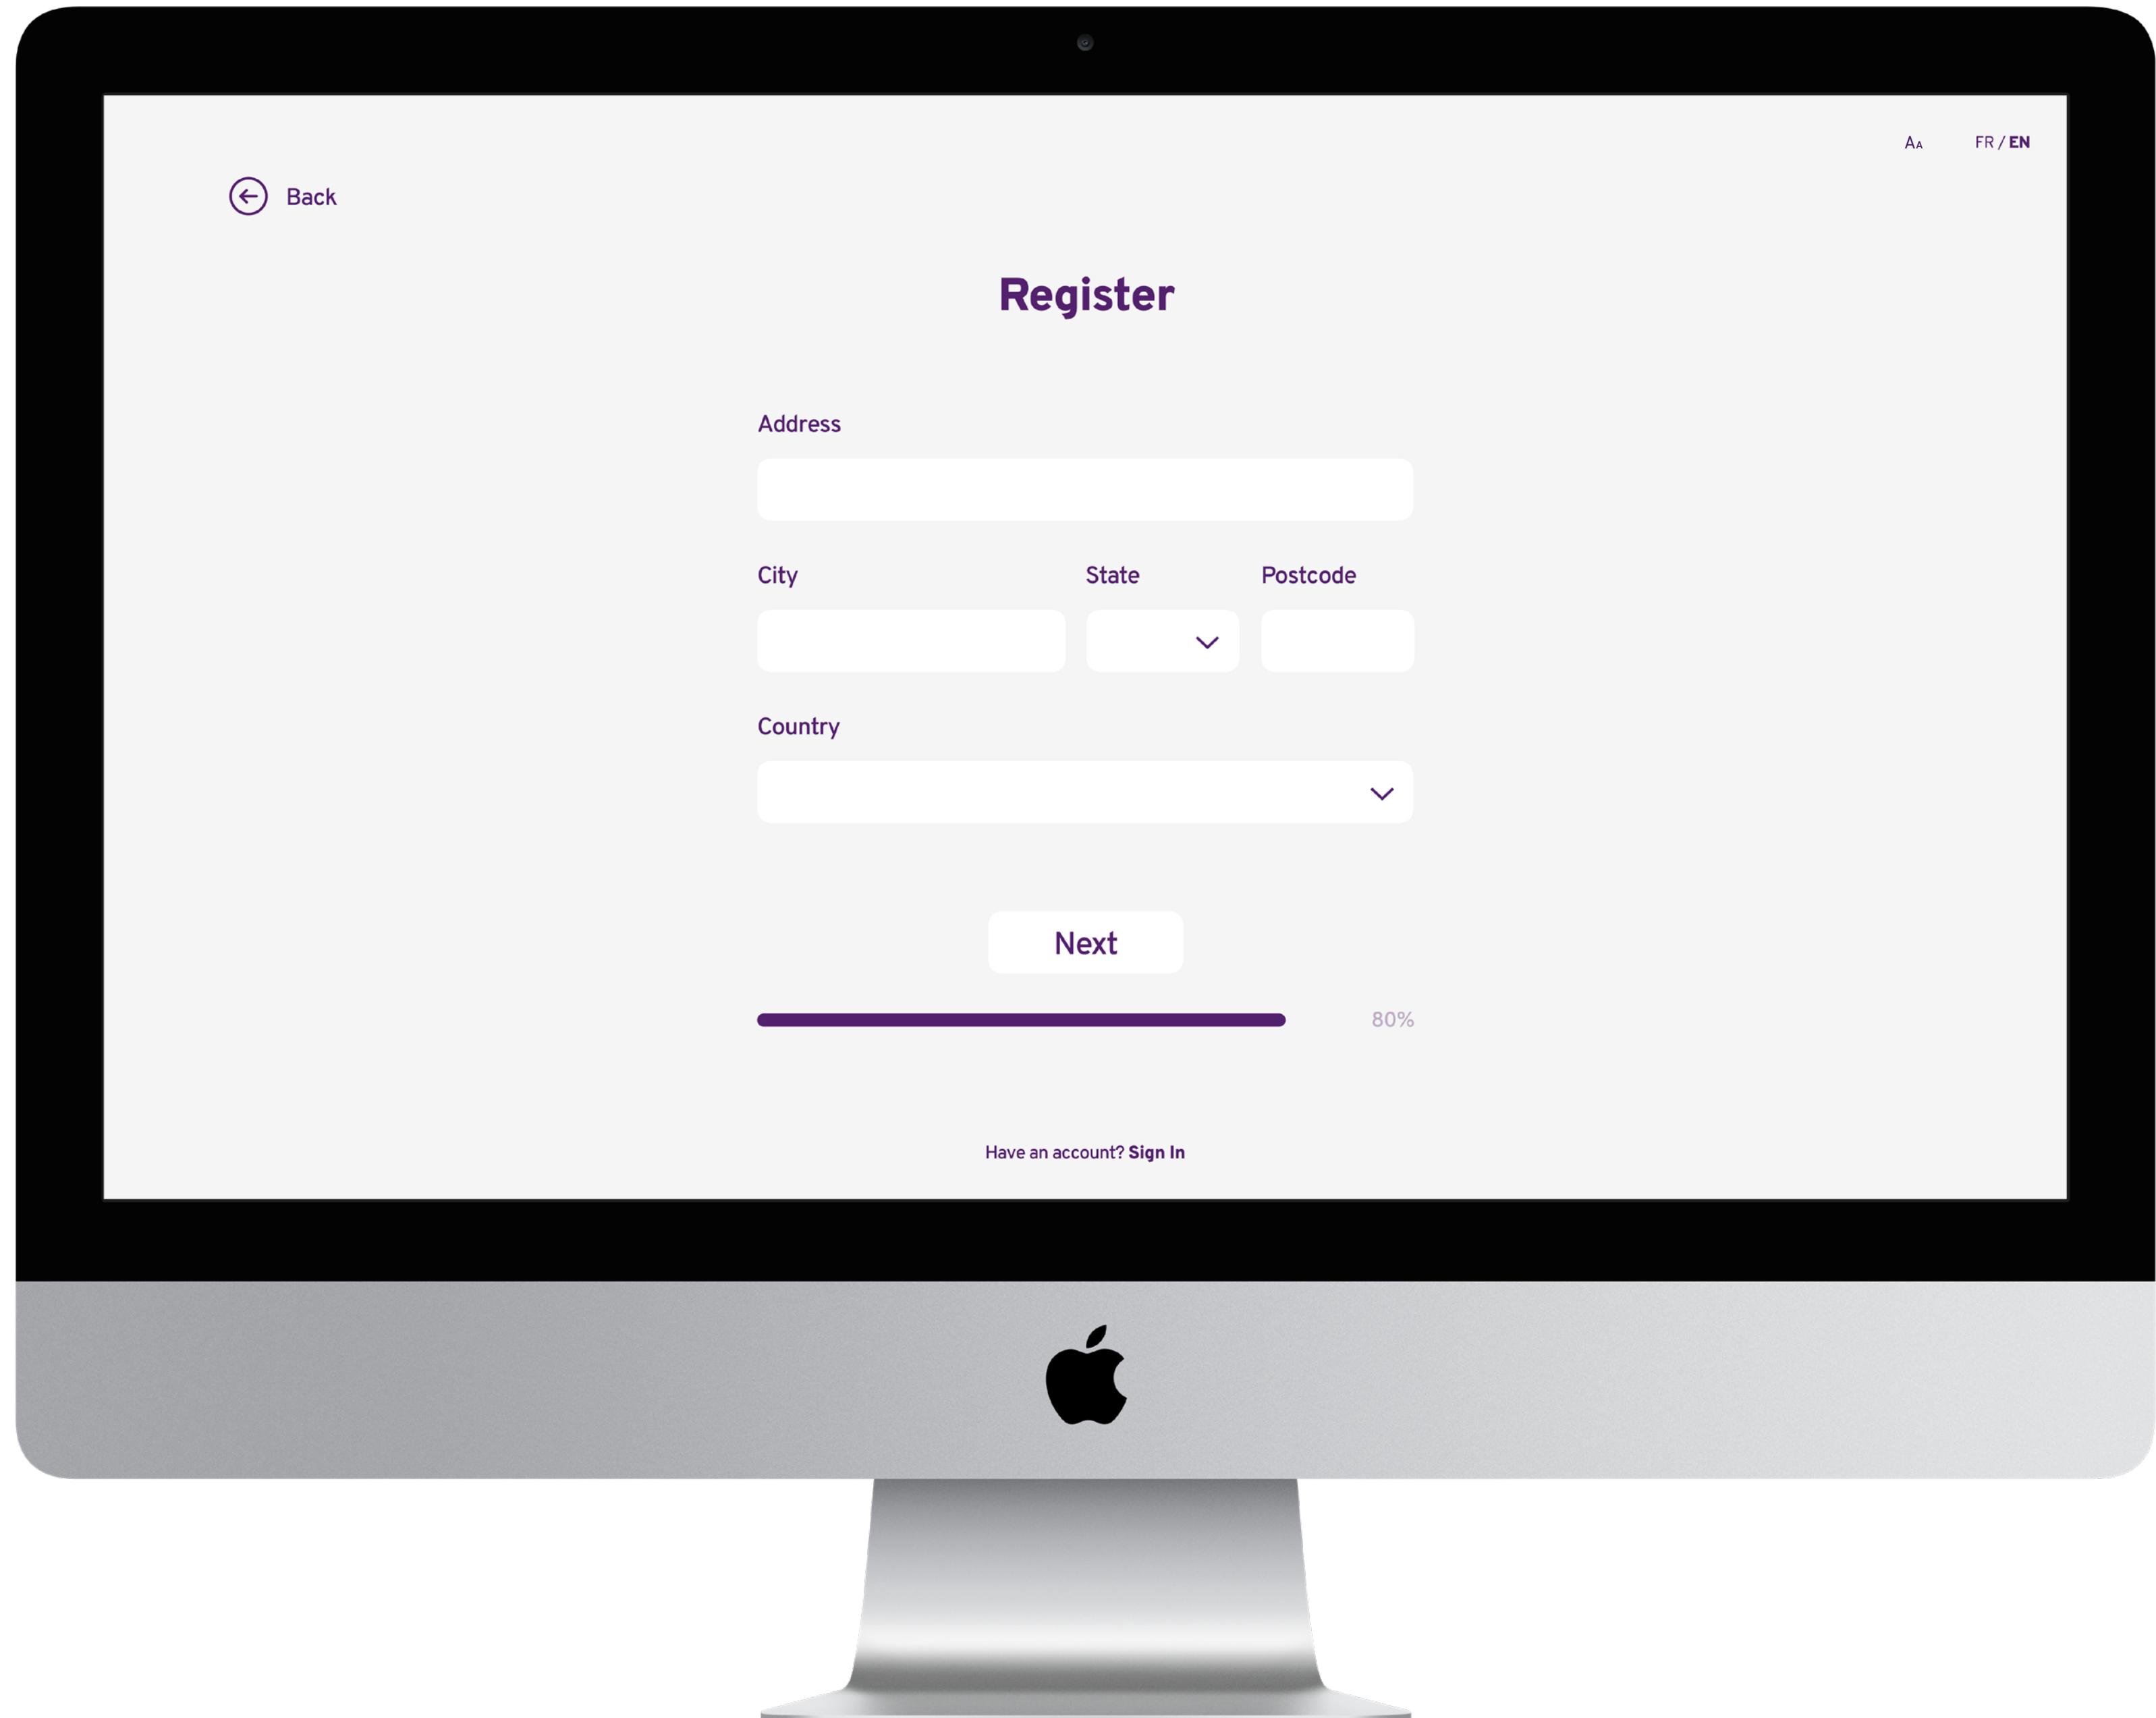

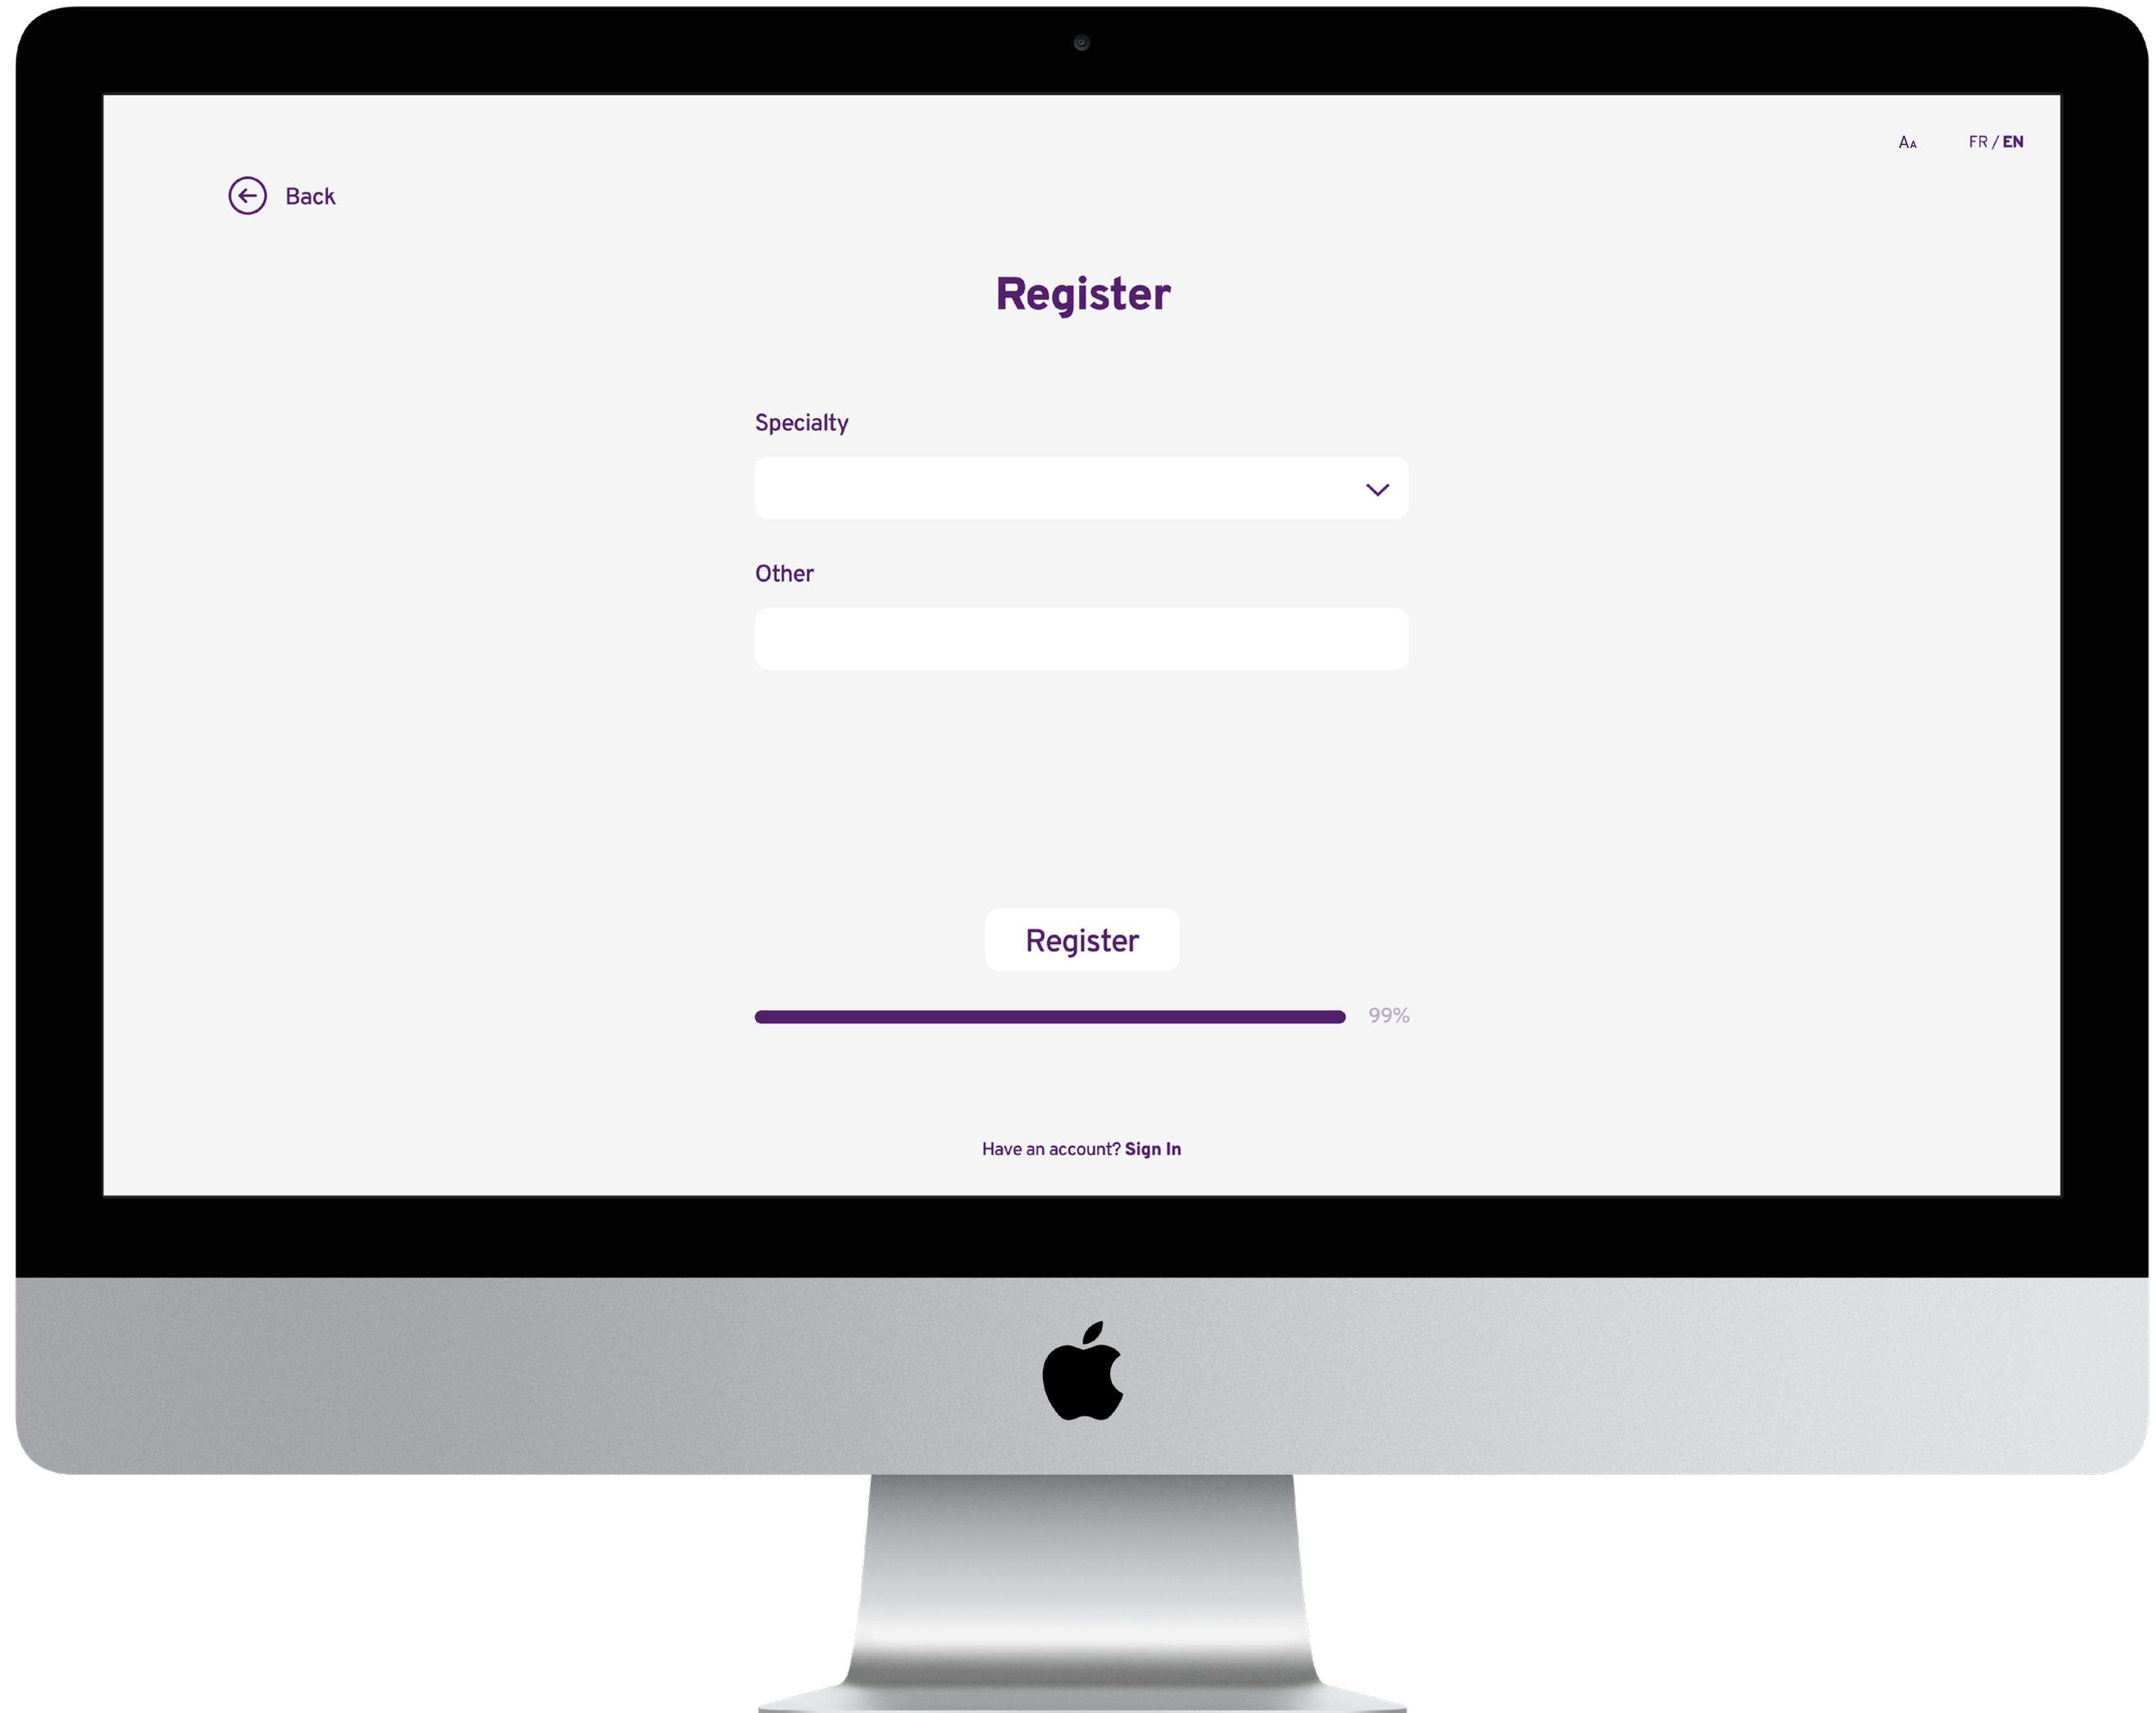

The image shows a computer monitor displaying a medical software application. The application has a dark-themed interface with purple and white text. At the top left is a "Log out" button, and at the top right is a bell icon with a red dot. The main title "Welcome, Dr Paul Smith" is centered at the top. Below it is a section titled "Patients" with a table. The table has columns for First Name, Surname, Inclusion date, Protocol, Expected date, Answered date, Rank, Barthel, and Decision. There are six rows of data, each with a green checkmark icon. The first row has a "50" in the Decision column. The second row has a "15" in the Decision column. The third row has a "15" in the Decision column. The fourth row has a yellow exclamation mark icon in the Protocol column and "TBD" in the Answered date column. The fifth row has a "0" in the Rank column. The sixth row has a "0" in the Rank column. On the left side of the screen, there is a vertical sidebar with several icons and labels: "Dashboard" (selected), "Patients" (selected), "Account", "Help", "Data" (with a dropdown arrow), and "Admin" (with a dropdown arrow). At the bottom right of the application window, there is a "Show all" link. The monitor sits on a silver iMac stand, which is visible at the bottom of the image.
